

Make a tiny den for your favourite teddy, doll or finger puppet.

Now cover the sticks with fallen leaves or flowers, and make the floor using moss, grass and more leaves.

Grab a handful of sticks and prop them up against a tree trunk or fallen branch.

Now your den is all ready for your toys!

Little brothers and sisters will love helping you with this activity.

Feel free to copy and share this for personal and educational use – and don't forget there are loads more brilliant activities to download on our website!
