3. Map Navigation:

- Once the map is visible, you'll find four icons on the right-hand side:
- **Search Function (Icon 1):**
 - Use this icon to search for specific addresses or places on the map. Click on it, and a search bar will appear.
- **Layers Feature (Icon 2):**
 - Click on this icon to access the layers feature. You can toggle various layers on and off to customize your view. To see all layers, zoom in and out on the map.
- **Base Map Selection (Icon 3):**
 - The third icon allows you to change the base map. Click on it, and a menu will appear, providing different base map options.
- **Measure Tool (Icon 4):**
 - Use the fourth icon for measuring distances on the map. Click on it, then start measuring by clicking on the map to place your first point. Continue adding points to measure the desired distance.

4. Exploring and Interacting:

- Explore the map by zooming in and out, and make use of the features mentioned above to customize your viewing experience.

Now you're ready to navigate and utilize the Mourne Gullion Strangford Interactive Map!
